Login

A low-fidelity prototype of a login window titled "Login". The window contains two input fields: "Username" and "Password". Below the "Password" field is a "SignIn" button and a link labeled "Forgot Password?". A yellow circle with the number "3" is placed over the "SignIn" button, and a yellow circle with the number "2" is placed over the "Forgot Password?" link. A diagonal watermark reading "MockupScreens UNREGISTERED VERSION" is visible in the bottom right corner of the window.

2. * Forgot password only for students ?
* Is this applicable for counsellor?
3. * Check if login credentials are correct

Visa_Applications

The mockup shows a web application window titled "Visa_Applications". At the top right is a "Logout" link. On the left is a sidebar with "Application Log" and "Application" buttons, the latter having a blue notification icon and a yellow callout '5'. The main area features a "Student Name" label (callout '4') above a dropdown menu (callout '2') with "Jeff" and "Maria" options. Below this is a table (callout '1') with columns: Student, Counselor, Date, Time, Attached Documents, Comment, and Action. The table contains two rows for "Jeff" with counselor "Arpitha". The first row has date "12/12/12", document "Swinburne eCOE.pdf", and action "Submitted". The second row has date "01/01/13", document "RMIT eCoE.pdf", and action "Submit to immigration". A "Comment" link is next to each row. A callout box (callout '1') points to the "Comment" link, showing a "Frame" with a "Comment" text area and a "Submit" button. A "MockupScreens UNREGISTERED VERSION" watermark is visible.
